Additional Sponsorship Benefits:

Knowing you make a difference is a gift in itself! In addition, please choose which marketing benefits you wish to include in your sponsorship package. Check as many as you'd like!

I would like a United365 sponsor decal for my door.

I love shout outs! You have my permission to tag my business on social media.

Please include my business logo and link on unitedwaygwp.org.

List me as a United365 Sponsor in United Way's annual report.

Feature me in the Local Business Spotlight series in United Way's newsletter.
